

RESTLESSNESS

The situation in the house has made you paranoid. On the way through the staircase, you listen to conversations secretly. Go to a group of players that are gossiping right now. Draw one gossip card from the player of your choice.

HANGOVER

The threat of a sale is very troublesome and you drank too much! Your hangover is bad and talking would simply be too much for you. You can not be forced to give away gossip cards.

LACK OF SLEEP

Due to the stress, you could not sleep last night. You were so exhausted, that you fell asleep in the staircase. When you regain consciousness, you overhear your neighbours inside gossiping. Stand up and listen to an ongoing conversation of your choice.

BUSTED

You watch a neighbour wrongly separate the litter. As you have something against her/him. She/he is forced to give you a gossip card.
