

**OWN USE**

"A justified interest for the termination of a tenancy agreement on the part of the landlord is also the so-called own use. Tenants can refuse the termination of the contract due to their own use if the termination would cause particular social hardship." [2]

**FORECLOSURE**

" 'Hell breaks loose at the [real estate] auctions' foreclosure.' Often, he says, very wealthy bidders can be found in the courtrooms. 'They don't care how much they have to pay.' Schiffer says." [1]
